Subject: EPA's Formaldehyde Workshop: Slides and Reminder
Attachments: RE: Formaldehyde Workshop: Session 1 Planning Call; Formaldehyde Workshop Session 1 Abstracts.docx; Formaldehyde Workshop Biosketches.docx

Hello!

For your information and review, we have attached materials that we have received for Session 1 so far, including Dr. Schlosser's email from this morning.

Speakers, as a reminder, please plan to submit your FINAL abstract (including any financial disclosures) and FINAL presentation by **Monday, April 28th** so we can test, organize, and load for presentation at the workshop. We would like to have your permission to post a PDF version of your abstract and final presentation on the workshop web site the day before the workshop. If you need to prepare a version of your presentation for public posting (e.g., to remove unpublished data), please provide this version by April 29.

If you have not yet submitted your biosketch, please submit it as soon as possible to Formaldehyde_wkshp@icfi.com.

Thank you, and please let us know if you have any questions!

State-of-the-Science Workshop to Discuss Issues Relevant for Assessing the Health Hazards of Formaldehyde Inhalation

April 30-May 1, 2014 • Crystal City Marriott at Reagan National Airport • Arlington, Virginia
